MEMBERSHIP vs. SPONSORSHIP

WHAT IS THE DIFFERENCE?

What is an Industry Partner Member?

An Industry Partner is a basic membership in ASID, paid for with your annual dues. Membership allows Industry Partners to take part in the Chapter Experience, just like a Designer member, and opens you up to the local design community. Industry Partner members are granted benefits that only ASID members receive. These benefits include a subscription to our monthly Chapter newsletter, which contains Chapter news, and notices of our upcoming events.

Industry Partner representative(s) are made aware of and invited to attend all of our Chapter events through the newsletter and follow-up event e-blasts. Attending events provides an opportunity to network with ASID designers, so that the designers get to know your company representatives, who in turn become the designer's personal resource for products and services. As members of ASID, Industry Partner companies may also host Chapter meetings and CEUs at your place of business, or in partnership with someone local. Industry Partners are also encouraged to become active in Chapter operations by volunteering on Chapter Committees, and have select opportunities to serve on the Chapter Board of Directors. ASID Industry Partner members are offered free event postings on our ASID Chapter Website, in the Monthly Chapter Newsletter, and through our social media channels. Industry Partners are also listed in our annual Vendor directory. Other benefits of membership include discounted pricing for use of our snail mailing list, advertisements, additional event e-blasts, non-event related eblasts, and social media outreach, as well as exclusive sponsorship opportunities that are only offered to our members.

What is a Chapter Sponsor?

Sponsorship provides opportunities to increase your company's visibility through additional marketing, branding, special access, and deeper engagement with our specialized audience. Sponsorships are offered at a fee in addition to your annual membership dues. Only ASID Members may take advantage of our Sponsorship Program which provides extensive benefits that further your contact with our members, as well as increases your exposure throughout the Chapter region, and beyond. Sponsors can provide our members exclusive access to industry partner content, tools and opportunities. Sponsoring our Chapter provides a unique opportunity for industry partners to further highlight their brand, enhance their engagement, and distribute content and messaging to our members on a more intimate level.

Sponsors help us to grow the chapter. Your Sponsorship provides ASID California Central / Nevada Chapter the opportunity to generate non-dues revenue that funds important organizational missions and objectives, and helps underwrite valuable programs and events that engage our members. A very small portion of the dues paid to ASID National trickle down to the chapter, so your sponsorship allows us to do what we can to keep our local members happy, and encourage new designers to join ASID. It's a Win-Win opportunity!

Snail Mailing List Rental | \$350

In order to comply with privacy policies, we rent the use of our mailing list through a secure mailing house, Premier Print and Mail, <https://www.premierprint-mail.com/>. Their offices are located in Sacramento and Folsom CA.

The cost of a **one-time** use of our mailing list for ASID members is \$350 (this fee does not include the costs of printing and mailing that you will negotiate directly with the mailing house). When someone purchases the use of our list they are purchasing the one time use of the mailing addresses of all of our members. They do not receive a copy of those addresses. We do not separate names based on the target market for their product or service. Our members are asked to keep their contact information current, but we cannot ensure that every one of the addresses is current.

Once again, please be aware that Premier Print and Mail's charges for fulfillment and/or postal services, such as brochure printing, and/or mailing, are not included in the base mailing list rental fee that you pay to the Chapter directly. You will need to negotiate with the mailing house directly for that cost. We will also need to review and approve the mailing before it goes out. We reserve the right to send the mailing back for editing, if the content is not compliant with ASID standards.

Once you have made payment to the chapter, you may contact Premier Print and Mail with your printing, and/or mailing needs. We will provide you the person to contact. You will work directly with the mailing house to decide on terms of payment for services provided by the mailing house. You do not have to use them for printing, but all fulfillment (mailing) needs to be done through them. They will contact us to let us know that you have contracted to work with them. We then provide Premier Print and Mail with our most recent mailing list to use for your mailings. They have agreed to keep our mailing list confidential.

Payment of the base mailing list rental fee may be made to the Chapter here: <https://snailmailrentalformembers.eventbrite.com>

Please don't hesitate to contact us with questions about any of the sponsorship and advertising opportunities listed. We are also open to customizing a package that suits your needs.
